

Save Our Stepney Task Force was organized in 2001 to preserve and enhance the character of the village of Stepney, Connecticut, incorporated into the Town of Monroe. Included in the Organization's scope of concern are identifying, documenting, improving and/or preserving historic, cultural and natural properties and features of the community. Activities include public events, education, beautification and cultural enrichment. Community involvement and cooperation with other civic groups and the Town of Monroe are encouraged.

Meetings are held the third Tuesday of every month at 7:00 pm in 707 Restaurant, on Main Street in Stepney. All are invited to attend to help maintain the quality of life for our beautiful and historic Stepney, Connecticut.
